

**** **If you already have a Power School Parent account**, follow these directions to add your child with the Web Access ID and Web Access Password provided from Power School email you received after completing PreRegistration:

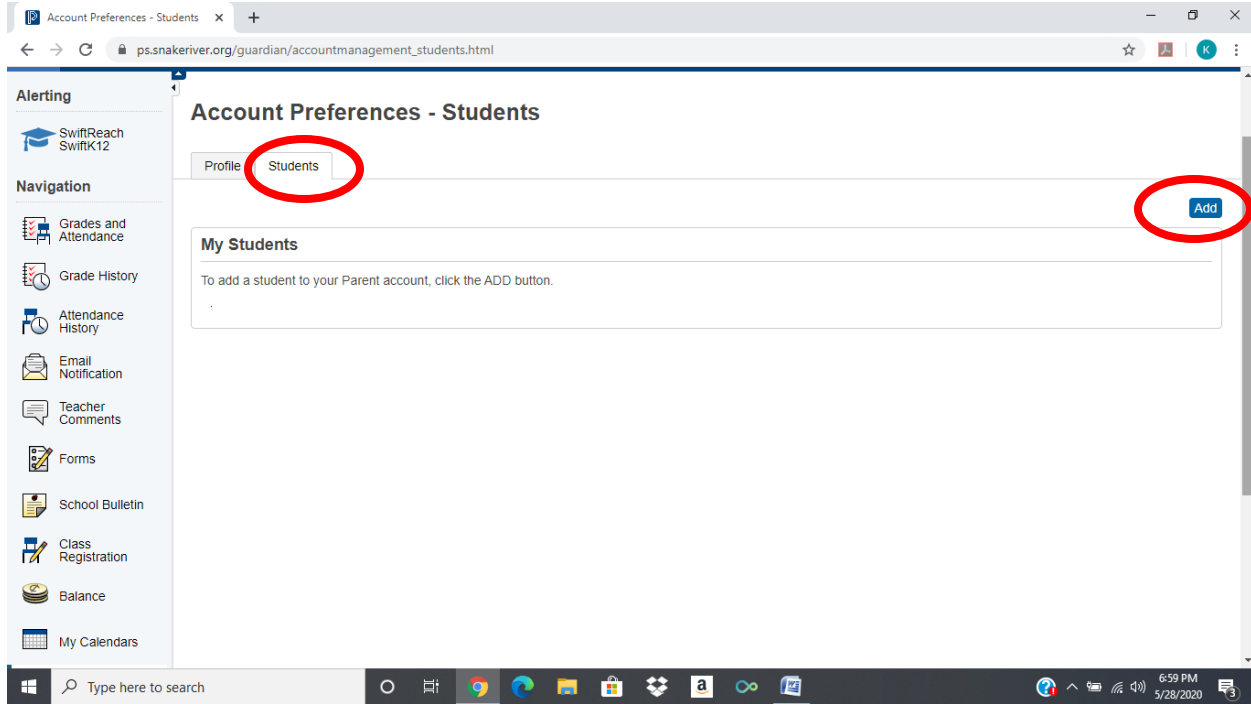

1. Go to the parent portal page at <https://ps.snakeriver.org/public/> and sign into your Power School Account.

2. Click Account Preferences.

3. Click the "Students" tab, and then select "Add"

4. Enter the Student Name, Access ID, Access Password, Relationship, and click "OK" to add your child. If you receive an error regarding the Access ID and Access Password, please copy and paste the information directly from your email.
