

Kindergarten Enrichment Class

Moreland Elementary

Dear Kindergarten Parent,

The board has approved the **Optional Paid Kindergarten Enrichment Class** to be held at Moreland for parents who need a safe learning environment for their students from 2pm, when the regular kindergarten day ends, until 3:35 when the students can ride their bus home.

Total Charges will be \$125.00

This covers your student to start from August 24, 2022 - October 10, 2022. This program only runs from the start of school until Harvest. When we return from Harvest break, all Kindergarten students will be attending a full day of school and be released at 3:35 to ride the bus with the other students.

This program offers recess time from 2:00-2:15. We will also provide snack time, homework time, and educational enrichment time.

In order to provide this service, parents will be required to pay the full amount at time of service, This will ensure your student will have a spot in this program. The amount will cover snack, art and enrichment activities. The check will need to be made out to Snake River School District (SR District.
